**District Report To CO Federation/October 2009 to present**

- (1) I attended all of the chapters in my district, at least once last year.**
- (2) Each chapter sent me a copy of their F-7 for year 2010, except one.**
- (3) Most of my chapters keep me informed by sending me copies of their minutes and/or newsletters.**
- (4) The same presidents will be serving their chapters as they did last year.**
- (5) Increasing membership, but retention is also important.**
- (6) Legislation still remains *our primary goal*.**
- (7) Except for one-chapter, “small, but mighty” is our theme song.**
