Since October I have attended the November Board meeting for Chapter 351. President Fruit had encouraged three new officers elect to attend. These three were a Second VP to cover Legislation, another to manage the callers and another to write and to publish our newsletter.

In an effort to encourage recruitment it was decided at this meeting to provide a free meal for any member and a prospective member brought to a regular Chapter meeting.

At the regular meeting in December the new Officers were sworn in. The Bookcliff Choir provided entertainment for the 70 members present.
