

HISTORICAL INFORMATION

Date: February 21, 2012

From: Robert Warren, 50th Anniversary Chair

To: All Colorado Chapter Presidents

Subject: Colorado Federation 50th Anniversary Celebration, June 23, 2012

As part of the planned celebration for the 50th Anniversary of the Colorado Federation of Chapters, we expect to have a video presentation during the registration and social time prior to the formal program. In order to prepare this presentation we would like you to send the Committee 15-20 historic photographs taken during some event/special occasion/meeting that shows images of people, places or events. The older, the better but you be the judge. On the back you can list whatever data such as names, places and date of photos that you have. In addition please list the owners name and Chapter number so they can be returned to that person. They may be black and white or color and any size. Please send them to Bob Warren, 9491 W. Tenn. Ave., Lakewood, Colorado 80226 no later than April 15, 2012.

Also, the Committee would like you to prepare a short (300 words) historical overview of your Chapter. If known, this should include information relative to the founding of the Chapter and any significant events during its past history. A listing of past Presidents would be fine, hosting of special events such as the State Convention(s), awards and special projects undertaken by the Chapter; in other words, things of general interest. These reports will become part of the Program/Memory book to be presented to each attendee at the Luncheon and to each Chapter. They should be sent to Eva Heller, 2732 S. Garfield St. Denver, Colorado 80210-6622 no later than May 1, 2012
